- No clothing with vulgar or suggestive slogans. No comics or magazines.
- No water guns or water balloons. No knives of any kind.
- No firearms or fireworks.* No tobacco, drugs, or alcohol.*

*Campers bringing these items into camp will be immediately dismissed.

Snacks

The snack shop and souvenir shop will be open daily during free times for those who wish to make a purchase. During check-in for camp, parents can turn in spending money and it will be placed on account at the snack/souvenir shop. Any transactions will be made on account and any remaining money will be returned to campers at check-out time.

Prescription Medication

Prescription medications and over-the-counter medications need to be in the original bottle, with only the amount needed for the camper's session. All prescription bottles should be placed into a Zip-loc bag with the campers first and last name clearly written with permanent marker on it.

Over-the-counter medications brought to camp will be accepted at check-in. Our Nursing professionals are available at the Nurse's station to dispense over-the-counter medications as needed.

Your name on everything

The best way to prevent lost items is to clearly mark all of your campers clothing and belongings.

Luggage please mark with camper's name, address and phone number.

Clothing, pillows, toiletries can be marked with the camper's name.

Found items at the end of camp will be held by Camp Courage USA for two weeks. If you have lost items, call the camp office at 877-346-2267 with a complete description and we will do our best to locate and hold it for you. Any items not called for two weeks after the completed camp session will be donated.
